MISS TEMPEST WARD.

The last week's issue of the Mt. Vernon Signal contained the announcement of Miss Tempest Ward as a candidate for the office of County School Superintendent of Rockcastle county. Miss Ward is a daughter of J. H. Ward, formerly of Sonora, and for the past five years has taught in the Rural schools of Hardin county. She taught the Tunnel Hill school last fall and gave entire satisfaction. Miss Ward ranked as one of the very best teachers in this county and her many friends wish her success. She holds a State certificate and is highly qualified for the position. Rockcastle county will make no mistake in electing her to the position.

Boys, you will be good now.—On last Friday the Adams express agent here received instructions not to deliver any more booze, so the drunkmen will be few and far between.—Rice Walton has returned from Barboursville where he has been attending College and has a position with the surveyors.—George Doss has returned from Whitesburg, Ky., where he has been running a section.—The regular downpour of rain since Tuesday has caused Rockcastle river to leave its banks and we predict a high tide again.—Wade Graves, the telephone man, was with home folks Sun-
